Dear Rick:

On behalf of the entire team at Maxim Healthcare Services, we would like to thank you for your guidance in positioning CareMax Medical Resources for its successful divestiture to Walgreen Co.

We began our relationship with your firm in 2005 as a buyer of home respiratory and home infusion services thru the acquisition of Terry Respiratory Services in Houston and Dallas Texas. We were immediately impressed with your candor and straightforward approach as the sellers representative (a rare quality in the marketplace then and now).

As we made the decision to focus on our core business mix of home health nursing, medical staffing and wellness, we evaluated a number of merger and acquisition firms to represent us in the divestiture of our CareMax subsidiary. We chose SRA because of your reputation with the industry, your long standing relationships with both strategic and financial buyers, and my personal experiences of having worked with you as a buyer. Needless to say, we were most impressed with having you as our representative and firmly believe that you were instrumental in positioning us to a wide variety of buyers allowing us to find a buyer best suited to integrate our patients and our employees.

I would also like to thank Steve Outz for his outstanding work in accurately presenting our financial and operational metrics. Steve spent countless hours analyzing data from our clinical, operational, and accounting software programs to present the results in a tangible, easily accessible format for buyers to review.

Thank you for your guidance and support throughout our engagement with SRA. I am certain our paths will cross again in the near future.

Sincerely,
